

## PETS REGULATION

- The dog must always be tied both inside or outside the plot and it must always be supervised by its owner.
- It is prohibited to leave pets alone in the plot.
- It is prohibited pets' access in the restrooms, swimming pools, sport and playing areas, living room, reception and food market.
- All pets must be registered in the check-in and its stay is going to be subjected to its correspondent fee.
- The breed of dogs potentially dangerous according to current regulations must wear a muzzle and a non-extensible leash.
- It is not going to be accepted in the campground, or either it will be banned, the user, client or visitor that throughout the pets' behaviors, disturbs the peace and harmony of the other campers.
- Pets must have their needs outside the campground's area. The owner of the pet is obligated to collect their excrements and to deposit them in closed bags in the containers, both inside and outside the campground's facilities.
- The pets' owner will be responsible of the possible damage it may cause both to the rest of the campers and to their goods such as the campground's facilities.
- All the pets must have their immunization record in order and in force.
